Access:

The service can be accessed from a Louisiana public library or from a home computer by going to www.homeworkla.org. Students travelling out of the state must have a Louisiana public library card to access the service.

Tutors:

Network of 1,800+ tutors who are certified teachers, professors, graduate school students, university students and professionals who are experts in their field. Each tutor passes a third party security background check.

Online Classroom:

The HomeworkLouisiana Online Classroom has been optimized to enhance a one-on-one learning session. It includes real-time chat, an interactive whiteboard, math tools that include drag and drop shapes and commonly used equations, graphing paper and much more. A student and tutor can also share files or browse educational resources on the Web.

Key Features:

ProofPoint™ Real-Time Writing Center enables students to upload documents to receive a live review, edits and writing strategy assistance. SkillsCenter™ Resource Library includes thousands of vetted resources for independent study such as tutorials, videos and study guides that map to the subjects.

Results:

Students who use HomeworkLouisiana's online tutoring and homework services report they are able to better complete homework assignments, build their confidence in their academic abilities and improve their grades.

Funding:

HomeworkLouisiana is provided by the State Library of Louisiana as part of the Louisiana Libraries: Connecting People to Their Potential project, funded through an \$8.8 million BroadbandUSA grant through the American Recovery and Reinvestment Act.
